**SAP Printer Vendor Program**

Printer model/device type wizard data as of 17.11.2009 13:11:45  
This list contains only device types that support Japanese language.

Vendor:	Printer Model:	Device Type:	SAP Note:	Distribution:
Savin	Pro 907EX	RC001U18	1266114	G

Distribution:

G - The device type may be in your system already because it was delivered via SAP upgrade or support package. Otherwise you can download it from the associated SAP note.

S - You can download the device type from a web location specified in the associated SAP note

L - These device types are contained in the SAP standard delivery but were not developed under the SAP Printer Vendor Program
